

MINUTES OF THE CITY COUNCIL

CITY OF AUSTIN, TEXAS

Regular Meeting

January 13, 1949
10:45 A.M.

Council Chamber, City Hall

The meeting was called to order, with Mayor Miller presiding.

Roll call:

Present: Councilmen Bartholomew, Glass, Johnson, Long, Mayor Miller.

Absent: None

Present also: Guiton Morgan, City Manager; J. E. Motheral, Director of Public Works; Trueman E. O'Quinn, City Attorney; and R. D. Thorp, Chief of Police.

The reading of the Minutes was dispensed with.

Referred the request of Frank Duffy for a remission of the interest on his delinquent taxes to the City Manager for investigation.

The public hearing on the request of North Millican for a change in the zoning of the property located at 30th and Guadalupe Streets, known as "Fountain Courts", from "A" Residence to "C" Commercial, which was continued from the last Council meeting, was held.

Mrs. W. A. Felsing, Mrs. B. M. Baxter, and Mr and Mrs. H. I. Cunningham appeared to protest this change. These parties had appeared at the hearing held on January 6. They reiterated their reasons for protesting, namely, they do not want business brought any closer to their homes than they now have; further that a tourist court might bring an undesirable class of people into this area, and these conditions would depreciate their property and ruin same as homes. They brought their property for a home and they do not wish to be forced to sell and move elsewhere.

Mr. Millican stated that he would agree to deed 6 feet off the back end of his property so as to widen the alley, if this change was granted. He stated further that, if the change was granted, he would move the present improvements on this property to locations where they could still be used as homes and therefore this change would not add to the housing shortage.

After hearing the protestants and the proponent, Councilman Johnson moved that the recommendation of the Board of Adjustment not to grant this change be sustained. The motion carried by the following vote:

Ayes: Councilmen Johnson and Long
Noes: Councilmen Bartholomew, Glass, Mayor Miller

Because the required four-fifths vote for this change was not obtained,

the change was not granted. Mr. Millican thanked the Council for their consideration.

Pursuant to published notice thereof, the public hearing on the application of Southern Bedding Manufacturing Company by J. E. Griffith to amend the Zoning Ordinance in the following particulars:

To amend the USE designation of the following described property so as to change the same from "A" Residence District and First Height and Area District to "C" Commercial District and First Height and Area District:

Lots 4 and 5, Block 3, Sunrise Addition, being located at the southwest corner of Manor Road and Maple Avenue and locally known as 2309 Manor Road,

was duly opened.

There being no property owners present for or against the change requested, Councilman Johnson moved that the hearing be closed and the action of the Board of Adjustment be sustained and the change granted, and the City Attorney be instructed to prepare the ordinance.
